

DIGITALIZATION OF SUPPLY CHAIN AND LOGISTICS.

24TH OCTOBER 2023
08:00 CET TO 19:00 CET

RENAISSANCE AMSTERDAM HOTEL
AMSTERDAM, NETHERLANDS

WHAT DO WE DO

Techsommet is a B2B events company, we organize events that showcase the latest advancements, trends, and insights in the ever-evolving world of technology. Our carefully crafted events bring together thought leaders, industry experts, and solution providers from various sectors to exchange ideas, discuss emerging technologies, and navigate the challenges and opportunities of the digital landscape.

We pride ourselves on delivering high-quality events that provide immense value to both attendees and participants. By combining cutting-edge content, engaging formats, and unparalleled networking opportunities, we create an environment where meaningful connections are formed, partnerships are forged, and transformative ideas take shape.

Discover the future of supply chain and logistics at our one-day event dedicated to the digitalization of the industry. Join us on October 24th, 2023, at the Renaissance Hotel Amsterdam for an engaging and informative conference.

Featuring 6-8 speaking sessions, a keynote address, panel discussions, group sessions, and breakout sessions, our event offers a platform for industry leaders, experts, and professionals to share insights, exchange ideas, and explore the latest advancements in supply chain and logistics digitalization.

With networking as a central focus, the conference provides ample opportunities to connect with over 200 delegates from diverse sectors. Expand your professional network, build new partnerships, and generate valuable leads. Wrap up the day with a cocktail reception that further promotes networking and collaboration.

Don't miss this all-in-one solution for your networking and lead generation needs. Register now to secure your spot at this premier event held at the Renaissance Hotel Amsterdam

We look forward to welcoming you on October 24th, 2023, at the Renaissance Hotel Amsterdam for a day of exploration, knowledge-sharing, and networking in the realm of digitised supply chain and logistics

NETWORKING OPPORTUNITIES AT THE EVENT:

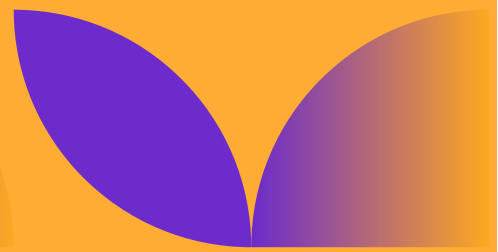

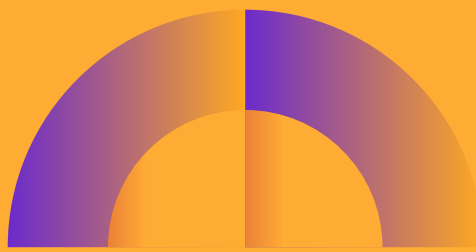

Dedicated Networking App: Enhancing networking capabilities, our event will feature a dedicated networking app. This user-friendly app will provide attendees with convenient access to event details such as the schedule, delegate information, speaker profiles, and covered topics. The app aims to facilitate seamless networking by ensuring all attendee information is readily available at their fingertips.

Networking Breaks: To foster meaningful connections, we have incorporated short networking breaks between sessions. These breaks offer attendees the chance to engage in discussions about the previous session and connect with like-minded individuals who share their professional interests.

Networking Lunch: We will be providing a buffet-style lunch, creating an ideal environment for attendees to socialize and forge new connections. This relaxed setting offers a fantastic opportunity for individuals to interact, exchange ideas, and broaden their network within the industry.

One-to-One Meetings: As part of our commitment to facilitating valuable connections, we offer the option to schedule one-to-one meetings. This feature enables attendees to arrange personalized meetings with other participants, fostering deeper professional relationships and enabling focused discussions on specific topics of interest.

NETWORKING OPPORTUNITIES AT THE EVENT:

Cocktail Reception at Networking Lounge: To conclude the event on a high note, we will host a lively cocktail reception in our dedicated networking lounge. This social gathering will provide a comfortable atmosphere for attendees to mingle, engage in conversations, and further expand their network.

Breakout Sessions: Our event will include breakout sessions, allowing attendees to tailor their experience by selecting sessions that align with their specific interests. These sessions offer not only valuable insights but also opportunities to network with peers who share similar professional passions.

Exhibition Booths: We will have dedicated exhibition booths where attendees can explore product demonstrations and engage in networking opportunities with industry experts and exhibitors. These booths offer a platform

to discover innovative solutions, forge partnerships, and broaden professional networks.

Q&A Sessions: Following each speaking session, attendees will have the chance to participate in Q&A sessions. These interactive discussions enable participants to ask questions, seek clarification, and engage in thought-provoking conversations with both speakers and fellow attendees.

We are committed to providing a comprehensive networking experience at our event, offering multiple avenues for attendees to connect, collaborate, and expand their professional circles. Be prepared to seize these opportunities and make the most of your participation.
